## Backpack Roller PRO

2-in-1 Backpack transforms into trolley within seconds

**Backpack Roller PRO offers first-class functionality and true elegance. The perfect 2-in-1 notebook backpack and travel trolley combination. Well cushioned shoulder straps, which can be concealed with a zip cover, are ready to use when required. The robust two-stage telescopic handle allows to convert the backpack into a trolley within seconds and to be pulled along on its easy-running, replaceable wheels. Special protective wheel-covers prevent clothing getting dirty whilst using as a backpack.**

The practical interior assists travellers with high demands. Notebooks up to 17.3" arrive safely thanks to High-Density Foam cushioning within the lockable notebook compartment. Additionally the compartment features a slip pocket for tablets up to 12.9". Mobile accessories and travel documents can be stored within the well-organized interior of the front pocket. Functional inner cable management allows to recharge tablet and smartphone on the go (e.g. via Power bank). A passport pouch with built-in RFID scan blocker effectively protects your personal data. The generous main compartment provides plenty of space for clothing. Benefit of the elastic fixation straps and built-in wet pocket in order to organize shoes, toiletries and used laundry. Intelligent details, such as the built-in address tag, combined with robust and water-repellent outer material make this bag a long-lasting companion for both, leisure and business trips.
