

Highlights

- Increase viewing comfort—help reduce eye, back and neck strain
- Upgrade LCD monitors and TVs with improved ergonomic adjustment
- Designed with our patented Constant Force™ lift-and-pivot motion technology, displays are easily positioned with just a light touch
- Cable management feature routes cables under the arm, out of the way
- 13" (33 cm) height range meets the ergonomic needs of more than nine out of ten adults
- Compact design frees up space. Arm folds back over the base into a compact retracted position so it's perfect for space-constrained areas
- Passes Ergotron's 10,000-cycle motion test
- Includes 10-year warranty

LX Desk Mount & Wall Mount LCD Arms

LX Desk Mount now available in white

Unparalleled range of motion for ergonomic comfort and enhanced productivity!

The LX LCD Arm is the perfect desk or wall mount accessory to add flexibility and superior ergonomics to your LCD monitor or TV. Sleek and streamlined, it frees up space and allows you to easily position your display for greater productivity. It's ideal for home and office use, especially in situations where several people use the same display.

LX Arms feature Ergotron's patented Constant Force™ lift-and-pivot motion technology. With just a light touch of your hand you can easily lift, swing, tilt or rotate your display.

Other features include:

- Excellent performance; affordable ergonomics
- Arm extends LCD up to 25" (64 cm) or 34" (86 cm) when a second extension is used. Push it back out of the way when not in use
- Choose from Wall Mount or Desk Mount solutions

Ideal for users who wear bifocals

**JUST
STAND
.ORG**

- Position your display for maximum ergonomic comfort to relieve eye, neck and back strain
- Free up your table or desktop to increase your workspace
- Rotate screen for portrait viewing of photos and pages—eliminate scrolling
- Easy-to-use, simple installation and effortless operation
- The sleek and elegant design of the LX arm embellishes your desk and makes your office into a more enjoyable working environment
- Save costs by improving the health of the workforce due to reduced neck and back strain
- Adjustment range of the LX Arm allows LCD to be lowered into a position that is comfortable for people wearing bifocals or using a tablet PC
- LX LCD Arm can be used without its extension or with a second 9" extension

White Grommet Mount Accessory Kit 98-034

Desk Clamp attaches to surface edge .4" to 2.4" (1 to 6 cm) thick; Grommet Mount attaches through surface holes .31" to 2" (8 to 50 mm) wide and up to 3" (7,6 cm) thick
