ERGOTRON®

LX Dual Stacking Arms

Now available in white

Versatility and productivity with ergonomic comfort!

Make the most of your valuable workspace with Ergotron's LX Dual Stacking Desk Mount Arms. Lifting your displays and/or laptop computer off the desktop reclaims valuable workspace. And, proper positioning of the screens can relieve eye, neck and back strain for better computing comfort.

- Use with a laptop* and LCD, or with two LCDs
- Use laptop* with or without docking station

* Note: Notebook tray kit comes standard with polished aluminum arms (45-248-026).

For white arms version (45-492-216), the notebook tray kit needs to be ordered separately (50-193-200) and is only available in black.

Notebook tray kit shown comes standard with polished aluminum arms (45-248-026).

For white arms version (45-492-216), the notebook tray kit needs to be ordered separately (50-193-200) and is only available in black.
