Q8693A - HP Advanced Glossy Photo Paper-60 sht/10 x 15 cm borderless

Summary

Print beautiful lab-quality photos with rich, vivid colours and a glossy finish using HP Advanced Photo Paper. Photos are water-resistant and instant drying so you can handle them straight from the printer without smearing or smudging [p1]. Thick, durable paper withstands repeated handling. For the best results, use with HP printers and original HP inks – engineered to work together.

HP Advanced Snapshot Photo Paper offers instant drying for water-resistant photos you can handle straight from the printer without smudging [p1]. Print beautiful professional-quality photos with rich, vivid colours and an impressive finish. This thick, durable paper withstands repeated handling and delivers superior fade resistance for long lasting photos. For the best results, use with HP printers and original HP inks – engineered to work together.
