Thin Client Mount - VESA Mounting Bracket

Product ID: ACCSMNT

This thin-client mounting bracket provides an excellent space-saving solution, by letting you mount your thin-client PC or docking station to create a clutter-free workspace.

Multiple installation methods

The versatile double-sided VESA mount offers several installation options, enabling you to mount your thin-client PC or dock to the back of your monitor or under your desktop, or clamp it to a monitor-mount pole. The mount supports 75x75, and 100x100 VESA mount compatibility, making it suitable for most monitors and monitor mounts.

Store a variety of products

This adjustable mount is ideal for holding an Intel® NUC, Mac Mini, most small CPUs, thin clients, docking stations, or USB hubs that fit within the width adjustability of the mount (.7" to 2.8" / 17 mm to 70 mm). The mount can support up to 11 lb. (5 kg). It also features an adjustable strap to help keep your devices secure, and rubber pads to secure products with non-parallel surfaces.

Unrestricted Access

The open-frame design of the mount allows unrestricted access to your computer.

The ACCSMNT is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

RoHS Compliant
Available

Applications

- Create a clutter-free work space in office, business, commercial and institutional environments
- Enhance your home office by maximizing your desktop space
