6.6 ft. (2 m) USB to Lightning Cable - Apple MFi Certified - Black

Product ID: RUSBLTMM2MB

This USB to Lightning cable withstands the daily demands of charging and syncing your mobile devices. Tested to endure strenuous wear and tear, and winter and summer in-car use, the rugged cable is a must-have for both business and consumer applications.
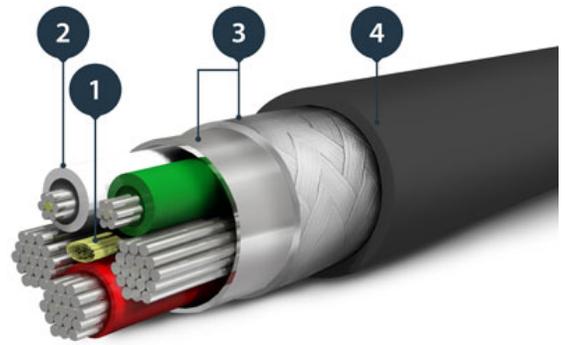

The longer cable is ideal for overcoming distance restrictions.

Built for Daily Use

The durable Lightning cable has a Dupont Kevlar reinforcement that shelters it from the stress of frequent bends and twists. This also lets the cable flex without over-stretching and strengthens the core of the cable.

Cable Key Features

- •1. Kevlar aramid fiber adds strength and durability to the cable
- •2. Insulated conductors reduce friction, provide more flexibility
- •3. EMI (electromagnetic interference) protection with aluminum-mylar foil with braided shielding
- •4. TPE (thermoplastic elastomer) cable jacket is softer and more flexible than a standard PVC cable and environmentally friendly

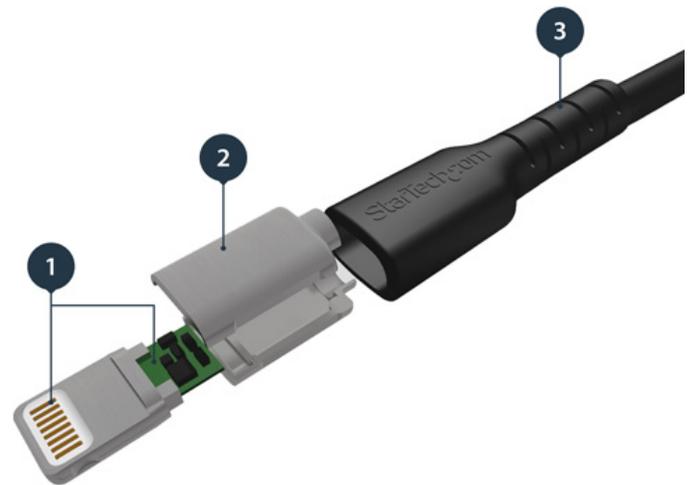

Flexible Strain Relief

The cable is constructed to prevent the connector from separating from the jacket. The extra-long strain relief molding is tested to withstand over 10,000+ bend cycles at a 180° angle. Plus, the improved inner molding resists cracking and reduces cable damage.

Connector Key Features

- •1. Lightning connector provides 12W for charging your iOS devices
- •2. Metal shield protects circuit board from EMI and reinforces the connection point
- •3. Strain relief tested to tolerate over 10,000+ bend cycles at a 180° angle

RUSBLTMM2MB is an Apple MFi certified Lightning cable backed by a StarTech.com 2-year warranty.

Certifications, Reports and Compatibility

Applications

- Charge and sync your Lightning mobile devices

Features

- Charge your devices over longer distances using an MFi certified Lightning cable built to withstand your daily routine
- Protected against the stress of frequent twists, this durable Lightning cable is reinforced with DuPont Kevlar fiber
- Extended strain relief tested to tolerate over 10,000+ bend cycles at 180° angle
- Provide flexible connections with this 2-meter Lightning to USB cable with a soft TPE jacket
- Shielded against EMI, this heavy-duty Lightning cable has a metal guard protecting the circuit board

Hardware	Warranty	2 Years
	Cable Jacket Type	TPE - Thermoplastic Elastomers
	Cable Shield Type	Aluminum-Mylar Foil with Braid
	Connector Plating	Nickel
Performance	Type and Rate	USB 2.0 - 480 Mbit/s
Connector(s)	Connector A	1 - USB Type-A (4 pin) USB 2.0 Male
	Connector B	1 - Apple Lightning Connector (8-pin) Male
Physical Characteristics	Cable Length	6.6 ft [2 m]
	Color	Black
	Connector Style	Straight
	Product Height	0.4 in [10 mm]
	Product Length	6.6 ft [2 m]
	Product Weight	1.1 oz [30 g]
	Product Width	0.5 in [12 mm]
	Wire Gauge	22/32 AWG
Packaging Information	Shipping (Package) Weight	1.1 oz [30 g]
What's in the Box	Included in Package	1 - USB to Lightning cable
