

This Compact Flash IDE adapter is a perfect solution for accessing CompactFlash (CF I, CF II) and IBM Micro Drive media, allowing you to access the flash/micro drive media as if it were an IDE hard drive.

The CF/IDE adapter can be installed in the computer case through simple mounting in an available 3.5in drive bay, for connection to the computer IDE bus through either a 40 or 44-pin connection.

Designed and constructed to provide a reliable media card platform, the CF IDE adapter is backed by StarTech.com's 2-year warranty.

Toepassingen

- Use your compact flash card as a bootable and removable device
- Excellent for swapping operating systems quickly without having to take your computer apart.
- Connect your compact flash card to a 40 or 44 pin IDE slot
