

10 ft Cat5e Gray Molded RJ45 UTP Cat 5e Patch Cable - 10ft Patch Cord

StarTech ID: M45PATCH10GR

The M45PAT10GR Cat5e Patch Cable (10 ft) meets or exceeds all Cat 5e specifications to ensure reliable Ethernet network connections, and features a durable gray PVC jacket that enables you to color code your network cable runs as needed.

To ensure long-lasting performance, this high quality Cat5e patch cable features molded PVC strain relief that prevents the RJ45 connector termination points from bending at sharp angles - reducing the risk of cable damage, which could decrease network performance.

Constructed of only top quality materials, this Cat5e Patch Cord delivers reliable performance and is backed by our Lifetime Warranty.

100% Copper - a better value

StarTech.com Cat5e cables are manufactured using high-quality copper conductors. While many cable manufacturers offer a "cheaper" cable, based on a copper-coated aluminum core, we make no compromises on quality to ensure you receive top value and performance for your network cable investment.

24 AWG Wire

This Cat 5e cable is constructed with 24 gauge copper wire, to support a broad range of Ethernet applications such as Power over Ethernet (PoE). Because we use a high quality copper wire, our cables easily sustain the power required for Power over Ethernet applications, whereas the inferior quality offered by copper-coated aluminum cables may be subject to insufficient power delivery, heat buildup, equipment damage and potentially, fire.

50-micron Gold Connectors

This molded patch cable offers high quality connectors comprised of 50-micron gold, to deliver optimum conductivity while eliminating signal loss due to oxidation or corrosion.

Toepassingen

- Ontworpen voor gebruik met Fast Ethernet-netwerken
- Voor het verbinden van een hub met een distributiepaneel
- Voor het verbinden van een werkstation met een wandcontactdoos

Eigenschappen

- Gegoten RJ45-connectoren
- Zorgvuldig ontworpen en gefabriceerd om Near End Crosstalk (NEXT) binnen aanvaardbare grenzen te houden
- Gekleurde afscherming voor eventuele kleurcodering
- Vervaardigd uit hoogwaardige onderdelen
- Hoogwaardig koperdraad met 0,5 mm dikte

Technische specificaties

Warranty	Lifetime
Aantal geleiders	4 Pair UTP
Brandbestendigheid	CMG goedgekeurd (algemeen doel)
Kabelstandaard	TIA/EIA-568-B.1-2001 T568B
Type kabel	Gegoten
Type kabelmantel	PVC - Polyvinyl Chloride
Connector A	1 - RJ-45 Mannelijk
Connector B	1 - RJ-45 Mannelijk
Kabelspecificatie	CAT5e - 350 MHz
Draaddikte	24 AWG
Kabellengte	3 m [10 ft]
Kleur	Grijs
Lengte product	3 m [10 ft]
Verzendgewicht (verpakt)	0.1 kg [0.3 lb]
Meegeleverd	1 - 10 ft Gray Molded Cat5e UTP Patch Cable
